SUFFOLK UNIVERSITY LAW SCHOOL

Our National Trial Teams' legacy of success is no accident.
It's based on:

- Ten sections of Trial Advocacy, four of them taught by judges; 15 trial/competition teams
- Top 20-ranked clinics, many of which regularly put students in court
- Required concentration courses like Trial Advocacy, Evidence, Pretrial Litigation, Appellate Practice, Dispute Resolution, regularly taught by seasoned trial lawyers and judges

With this level of rigorous litigation training, it's no surprise that Suffolk alumni represent a quarter of the active state judges in Massachusetts and some of the most accomplished trial lawyers in the nation.
